Payment Plans

In principle, school fees are to be paid before or on the day of registration in full. If needed a student can apply for the following payment alternative:

- 1/3 of the school fees before or on the day of registration.
- 1/3 of the school fees before or on completion of the first 4 weeks.
- The last 1/3 of the school fees before or on completion of the first 8 weeks of the school.

We expect students from foreign countries to pay R10990 of the school fees as a down payment before we can send the visa recommendation letter. Students won't be allowed to go on outreach/field assignment, enroll in another school, or join staff if their school fees are not paid in full.
